SUMMARY

The Director of Strategic Donor Engagement develops and executes comprehensive strategies to build relationships with current and prospective donors (i.e., individuals, businesses, and foundations), aiming to maximize their giving potential through personalized outreach, meaningful engagement activities, and effective communication while aligning donor interests with the organization's mission and goals. The director ensures corporate culture, systems, and procedures support revenue development and positive donor and volunteer engagement.

ESSENTIAL DUTIES AND RESPONSIBILITIES Include the following. Other duties may be assigned.

1. Ensure that philanthropy and revenue development align with the organization's values, mission, vision, and strategy. Participate with the CEO, staff, and board in setting the organization's revenue development strategy. Operate as a competent fundraiser and excellent organizational development specialist.
2. Adhere to the highest ethical standards in management, governance, and revenue development. Convey a professional and positive image and attitude for the organization and the greater nonprofit community.
3. Provide vital input in strategic and operation planning, including major gift solicitation, endowment gifts, grants, and the Annual Campaign. Manage revenue development's day-to-day operations. Monitor activities through coordination with staff, volunteers, and the Board of Directors.
4. Work with the CFO to oversee the selection, development, motivation, and evaluation of human resources, both professional and volunteer. Build the skills, knowledge, and abilities of the Revenue Development Team and other staff.
5. Coordinate revenue development process. Identify, recruit, and train board members and other volunteers to participate in solicitations, prospect identification, and other development activities.

6. Develop and manage donor matrixes for the Resource Development Team. Ensure assigned donor visits—individual and corporate—are completed to steward relationships, receive feedback, and establish giving potential.
7. Develop and manage a planned giving strategy to increase donations to the operating endowment setting specific timelines and targets to fully fund operating expenses from endowment distributions.
8. Provide leadership and guidance for Annual Campaign operational strategies and management, including timelines, objectives, and metrics.
9. Assure development and writing of foundation, corporate, and government grant proposals and solicitation materials.
10. Assure design and maintenance of donor and prospect records, gift management systems, and informational reports.
11. Work with the Marketing and Communications Director to design and implement robust donor communications, including electronic and snail mail. Assist in segmenting donors by interest and creating marketing efforts fitting to the donor.
